

School Supplies for 2020-2021 School Year

In middle years at ACS we will be charging **\$60.00 per student, for school supplies and lock rental**. If you send a cheque, please make it payable to Lakeshore School Division.

This amount is due by September 25th, 2020.

- this works out to \$6.00 per month
- all students have the same supplies which makes classroom organization much easier
- class time is not wasted on arguing about what belongs to whom or who has the better pencils, binders, etc.
- when supplies run out, we replace them; no further requests for supplies or supply money are made
- parents do not have to spend time finding the exact items on supply lists

We shop locally for many items and for other items we buy in bulk in the city. We try to get the best deals as stretching your school supply dollars benefits us too.

The \$55.00 covers all school supplies (scribblers, pencils, rulers etc.), Kleenex, construction paper and some craft supplies. **The other \$5.00 goes to renting a lock for the school year.**

You will also need to send: a reusable water bottle, a pair of indoor runners, a lunch kit, gym clothes, and a backpack that your child can use to transport items back and forth each day.

Thank you,

Middle Years ACS Staff
