About Our School

Fieldstone Ventures has been a registered Adult Learning Centre since 2002 and has an enrollment of over 50 adult learners per year.

Fieldstone Ventures Adult Learning Centre offers courses needed to complete a Mature Student Diploma, a regular High School Diploma or upgrading credits for Post-Secondary education or employment.

Fieldstone Ventures also provides English as an Additional Language (EAL) support and teaching for newcomers in the community.

School Highlights

Fieldstone Ventures Adult Learning Centre is one of 42 registered Adult Learning Centres (ALCs) in the province of Manitoba. ALCs provide tuition-free high school credits and upgrading courses using recognized principles of Adult Education for adults 19 years of age and older.

At the Adult Learning Centre you can:

- **Refresh Math, English, and Essential Skills**
- **Complete a Mature Student High School Diploma (8 credits required)**
- **Earn individual high school credits**
- **Finish a few credits that are needed to complete a 30 credit Provincial Diploma**
- **Take four additional credit courses as a Post-Diploma learner.**

School Highlights

- *Recognizing Prior Learning (RPL) was incorporated into courses.*
- *Learners transitioned from Foundations of Learning Program into Mature Student High School Diploma.*
- *Fieldstone Ventures has a continuous, self-paced module approach to offering high school credits.*
- *All learners are welcome to attend the Year End Celebration in June.*

OTHER FACTS:

Year – End Statistics:

- ❖ 62 learners registered aged 19-65 years
- ❖ 65% females
35% males
- ❖ 4 graduates (learners completed courses for credit)

Goals:

In addition to class time, students can take advantage of the following:

- ❖ *Emailing, phoning, or texting the teacher if they require assistance or have questions.*
- ❖ *Staff are available to talk, listen, help, and supply further information.*

Fieldstone Ventures Adult Learning Centre offers courses needed to complete a Mature Student Diploma, the regular High School Diploma or to upgrade credits for Post Secondary education or employment.

Staff are committed to helping learners gain the study and employment skills that adults need to be successful. Staff are friendly and helpful and create a positive environment for learners.

Students are able to register at any time through continuous intake. This is offered from September through February. The courses are delivered in modules, for independent learning or through delivery by the instructor in a classroom setting.

In order to meet the needs of all learners, the goal is to be flexible in programming and delivery to help each learner achieve success.
